Wabash Transformer Announces Three Phase Open Frame Unregulated DC Power Supplies.

Wabash Transformer is a leading U.S. based manufacturer of Class 2, VDE, Audio/Video. Laminated, DC Power Supplies and now **Three Phase Open Frame Unregulated DC Power Supplies**. Our linear DC power supplies are designed to deliver an economical design, direct step down from high voltage line, creepage proof connections and finger touch terminals.

Wabash Transformer introduces our Series BVZ three phase unregulated DC Power Supplies. Power range from 100VA to 1KVA. Power supplies designed for 50/60Hz, 60Hz and 400Hz.

General Specifications:

- Power Range – up to 1KVA.
- AC Input: 430/460/480/500/530 VAC, 3 phase
- DC Output: 24VDC
- Ripple: 5% rms max and nominal and full load.
- Finger safe Terminals (comply to Accident Prevention Regulations, VBG4).
- Optional fused output available.
- Custom designs available upon request.

Benefits of Wabash Three Phase Unregulated Power Supply:

- Eliminate the need for interim step down control transformer.
- Direct connection to high-line voltages readily available in industrial environments.
- Separate primary and secondary windings provide good isolation between line and load sides.
- Finger safe terminals for all connections to reduce creepage and enhance safety.
- Designed to meet UL/cUL (CSA) and CE.
- Prices start as low as \$139.95.

Options:

- Fused output (slo-blo or "CC" style).
- Custom mounting styles.
- Termination with lead wire and connectors.

Applications Include:

- DC Motors – stepping and servo.
- Solenoid Valves
- Relays
- Lamps and signal systems
- Input to On-Board Regulators
- Disc drives
- Contactors

Benefits of Using Wabash:

- Over 30 years of experience with power transformers.
- Leading the industry with cost effective solutions and drop in replacement to competitive brands.
- Global supply chain provides risk-free and reliable product(s) design and delivery.

- Supply chain programs (e.g. Just in Time, Consignment, KanBan) available.

To request product literature please visit us at www.wabashtransformer.com or call us at 630-628-9999.

Wabash Transformer has been producing quality custom and pre-designed transformers for over 30 years. Our Quality Policy is simple, and effective:

- A) Compliance to Requirements.
- B) Continual Improvement.
- C) Personal Pride in our Work.

Feel free to take advantage of our pre-designed models, or let us customize a transformer to your particular needs. Either way, you've come to the right place.
